THURSDAY, MAY, 11, 1882.

Nashville, Tenn., April 15, 1882 .-In obedience to the instructions of our respective committees we hereby call a convention of the Democratic party, to assemble in the hall of the House of representatives, in the city of Nashville, on Tuesday, the 20th day of June, 1882, at 12 m., for the purpose of nominating a candidate for Governor and the transaction of such other business as may properly come before it. We have no power to direct the action of the Democracy in the selection of their delegates, but, in view of anteredents resulting in this joint call, it may not be improper in us to express the hope that the Democrats in the various ecuaties, in their Amount per capita 83cts primary meetings, will take such Total No of scholars 7580 steps and precautions in selecting del- Total fund apportioned \$6,540.40. egates as will secure Democratic unity Done 1st day of May 1881. and harmony.

Jno. W. Childress, Chm'n Dem, State Ex Com. Geo. W. Darden, Secretary. D. F. Wallace, Chm'n Low Tax Dem. State Ex. Com W. L. Bransford, Secretary.

JOINT CALL.

To the Democratic Voters of Har deman County, Tennessee:

1st, 1882.

Chas, A. Miller C. G. Joy, Secretary. G W. Armistead Chm'n, Regular Dem. Ex. Com A. H. Rose, Secretary.

VENNOR'S FORECAST FOR 1882.

ven forth and caused to be published scription is \$3, postpaid. Address, in the leading newspapers of the day Frank Leslie, 53, 55 and 57 Park and in my vearly almanacs between Place, New York. the years of 1875 and 1882, only two have been seriously "out", or astray with respect to the summer season. This statement is not an empty assertion, but, on the contrary, one that South Carolina's Wonderful Palmetto s capa! le of proof; for the verification of these predictions does not lie in my own translation of them, but in each case has been gathered from the teljournals in which the predictions were first published. Having said this much on bygone forecasts, I desire outline of what, in my humble opinfeatures of the summer and autumn of the year 1882;

1. A season that will well ment the designation of cool to cold and wet, rule.

2. The senson will, be marked by not extreme sultriness and heavy weather storms will occur. In other words, clear and dry.

August frosts in northern and south- South. ern sections, and a general cold wave may occur toward midsummer.

right that we should warn the poo- dignity and importance to their representation of Gen. J. J.) le of the latter in good season.

5 and last. - The approaching season stop for the present.

NOTICE.
